

Tutoring in the library

The library provides space for tutors and students from the Haddonfield community. Accommodation is on a first come, first serve basis. Tutors may be asked to sign in at the reference desk. During peak hours, 3PM to 6PM, tutors may be asked to limit their sessions to 2 hours if seating is limited. Tutors and pupils must abide by the Library Code of Conduct while using the library.

The library has varied collections to support those in need of tutoring. The library also borrows books from other libraries via the InterLibrary Loan process.
